

CHRISTIAN DANCE COMPANY

NOVEMBER 2023 NEWSLETTER

Hello Fall!

Our fall season is in full swing, and we couldn't be happier with how our first month of dance has gone. We can't wait for what November has in store! Please read through this newsletter for all important information and dates regarding this upcoming month.

Choreography time!

Now that we have begun choreography for all of our groups, your dancer can start practicing their dances at home! We encourage this so that each child can maximize their learning experience for each class. Songs for each group are listed in our October newsletter for you to reference. You are also welcome to record your child's dances at parent observations. These videos are very helpful for at home practice!

Please be sure to check the signs in the entrance of the studio to see which floor your dancer's class will be each night!
